Britain re-created the World War I
Ministry of Information for the duration
of World War II to generate propaganda
to influence the population towards
support for the war effort. A wide range
of media was employed aimed at local

Online Library Careless Society Community And Its Counterfeits

and overseas audiences. Traditional forms such as newspapers and posters were joined by new media including cinema (film), newsreels and radio.

British propaganda during World War II - Wikipedia

In the Apology Socrates makes his own defense of the accusations he had

Online Library Careless Society Community And Its Counterfeits

received for corrupting the youths and introducing new gods in the city of Athens. It is interesting to note that this dialogue does not take a proper noun (the name of one of the characters in the dialogue concerned) as a title but chooses a common noun, one that refers to the act of defense. Why is this important?
