### **CMYK 2.0 : A Cooperative Workflow for Photographers ...**

In CMYK 2.0: A Cooperative Workflow for Photographers, Designers, and Printers McCleary proposes a whole new workflow that could become the industry standard by offering a clear path through the chaotic, sometimes inscrutable world of CMYK reproduction. He redefines the traditional roles of each of the participants (photographer, designer, and printer), demystifies the often-obtuse information about the process, and outlines new standards of practice that will lead to a more integrated and ...
