It is also known as the beach apple. A present-day Spanish name is manzanilla de la muerte, "little apple of death". This refers to the fact that manchineel is one of the most toxic trees in the world: the tree has milky-white sap which contains numerous toxins and can cause blistering.

Manchineel - Wikipedia

Apples become a very popular commodity or currency in the Shinigami Realm when Ryuk returns with an unknown quantity after the end of the series. In the manga one-shot, Midora bribes the Shinigami King with 13 apples she brought back from the human world in order to receive the extra Death Note that she gives to C-Kira.
