Crocodylia (or Crocodylia, both / k r ɒ k ə ' d ɪ l i ə /) is an order of mostly large, predatory, semiaquatic reptiles, known as crocodylians. They first appeared 95 million years ago in the Late Cretaceous period (Cenomanian stage) and are the closest living relatives of birds, as the two groups are the only known survivors of the Archosauria. Members of the order's total group, the clade ...
