Ham Radio Ham Radio The

Ham radio is a popular term for amateur radio, derived from "ham" as an informal name for an amateur radio operator. The use first appeared in the United States during the opening decade of the 20th century—for example, in 1909, Robert A. Morton reported overhearing an amateur radio transmission which included the comment: "Say, do you know the fellow who is putting up a new station out your way?"

Etymology of ham radio - Wikipedia

Ham Radio Technician Class Practice Test. Amateur radio, more commonly known as “ham radio”, is once again growing in popularity after experiencing years of declining interest in the United States. Today, there are over 700,000 people who hold an amateur radio license. (People who have a license are known as “hams.”)
