# File Type PDF Hennessy And

Thank you Prof.  
Hennessy and  
Patterson, as well as all  
other contributors for  
writing such an  
approachable book, not  
only for students, but  
also for practitioners.  
This edition brings the  
book up to date with  
the developments in  
computer architecture  
and various  
surrounding  
technologies, such as  
memory, disk, etc. The  
GPU chapter was fun to
