Ironically, in the post after yours by Little Blue, he uses the same Mobil 1 10w40 Sportbike oil in his Spyder, that I have run in ours for all but the approximate first 3000 miles. Little Blue is having his oil tested. His findings have put him on a change interval that previously was 6000 miles and is now at 8500 mile oil change intervals.

Oil question - will this oil work in my 2018 F3-L?

The Clutch (Not Common Issue) If your Whirlpool is a direct drive washer it may have a failing clutch. The clutch will prematurely wear due to loading the washer improperly. You can do an easy eyeball test where you simply lean it back and look at the area surrounding the gearcase and clutch for signs of oil.

[FIXED] Whirlpool Washer Not Spinning And Clothes Are ...

• Do not put hands or feet near or under rotating parts. Keep clear of the discharge opening at all times. • Only allow responsible individuals, who are familiar with the instructions, to operate the machine. • Clear the area of objects such as rocks, toys, wire, bones, sticks, etc., which could be picked up and thrown by the blade. 2

OK, so I'm still a wannabe but I did ride a 900 Rally last Sat and am going to set down with them tomorrow to put 'pencil to paper' and see what it will cost. Anyway, I too think the 0-60 time is hurt by the tendency to spin the rear tire. My 09 FJR will do 0-60 in about 4 but that is because it is an SE and has the computer clutch.

RYKER 600cc vs 900cc TOP speed and acceleration

With the right amount of friction dialed in, the stick will stay put where the user wants it to stay – even off-center! At the same time, it might be necessary to increase the spring tension by using a heavier spring per axis to overcome some of the friction these dampers provide.

6.2L V8 - 6.2 Liter Fuel Mileage Improvements - :oval I recently purchased a 2013 F250 with the 6.2 gas engine. My mileage is less than desirable! Can anyone give me some ideas that may improve my mileage? It does have some 295's tires on it instead of the 275's. So I am sure that my mileage is not correct by the on...
