BOOK REVIEW: I, Dragonfly - Independent Book Review

In her memoir about her recovery from anorexia, Kerrie Baldwin doesn't whitewash anything. She deftly uses language to let the reader accompany her through her various stages of recovery, from her confident, euphoric beginnings to her prolonged suffering with edema, and doubt that she can push through to the end, followed by her renewed determination.

Recovery Experiences — The Eating Disorder Institute

Memoir This month, the TNB Book Club is reading Trip: Psychedelics, Alienation, and Change , by Tao Lin. Available now from Vintage Originals, Trip is a remarkable and sometimes harrowing exploration of creativity, Terence McKenna, language, imagination, and, yes, drugs.

Memoir - The Nervous Breakdown

The dragonfly is a creature of water, and every creature that dwells in water symbolizes the subconscious mind and deeper thoughts. This is the reason why dragonflies are said to remind us to pay heed to our dreams and desires, because our outlook towards life is not only influenced by the external environment around us, but also our deepest thoughts.

What Does a Dragonfly Symbolize? You'd Be Stunned to Know ...

And in the hands of a lesser writer than Leila Meacham, author of bestsellers Roses and Somerset, it could easily descend into redundancy or even parody. Happily, in Dragonfly, this is by no means the case. Five idealistic young Americans—two women and three men—are recruited at the height of World War II to assume secret identities in Paris and spy for the Allies.
