Live In Caregiver Guidelines

One way of protecting the caregiver as well as the person receiving care is by putting the care relationship in writing. This is a binding agreement, also called a long-term care personal support services agreement, elder care contract, or family care or caregiver contract. Most often, it is called a personal care agreement.

Personal Care Agreements - Family Caregiver Alliance

Housing. Employers cannot require a caregiver to live in their home. However, if an employer and foreign caregiver decide that a live-in arrangement is the most suitable, for the needs of the person requiring care or to assist the TFW, there are certain criteria that must be met.
