The Great War of 1914-1918 confronted the United States with one of the most wrenching crises in the nation's history. It also left a residue of disruption and disillusion that spawned an even more ruinous conflict scarcely a generation later. Over Here is the single-most comprehensive discussion of the impact of World War I on American society.

World War I. This new edition, with a new afterward written by Kennedy, aims to re-examine the issues raised in Over Here in light of recent developments in American foreign policy.

### **Book Review: Over Here: The First World War and American ...**

A broad, vigorous, cohesive interpretation, by a Stanford historian, of the effects of World War I on the US. First and perhaps foremost, the progressives' expectations crumbled: initially opposed to American involvement, they succumbed to ""the endemic progressive disposition to view events positively"" and sought to make the war an instrument for social and economic reform.
