History of Taxation Revenue Acts from 1913 to the Present Early tax rates were relatively low and high exemption levels effectively exempt most of the US population from paying taxes. In 1939, less than 6% of US population paid a federal income tax. 4 Due to need for increased government revenue to fund World War II, tax base was broadened so

1 Unit 01. Introduction to Taxation - University of Utah

Taxes in India are levied by the Central Government and the State Governments by virtue of powers conferred to them from Constitution of India. Some minor taxes are also levied by the local authorities such as the Municipality. The authority to levy a tax is derived from the Constitution of India which allocates the power to levy various taxes between the Center and the States.

Taxation in India - Wikipedia
