### The Authority of Law: Essays on Law and Morality - Joseph ...

Section III focuses on the nature of authority and the law. Two essays take up Joseph Raz's influential normal justification thesis and argue that it fails to capture authority's second-personal nature, without which authority cannot create exclusionary and preemptive reasons. The final two essays concern law. The first sketches the insights that a second-personal approach can provide into the nature of law and the grounds of distinctions between different parts of law. The second shows how a ...
