Transformative Leadership in Education | Equitable and ...

Transformative leadership, as a theory, developed slowly, at first being frequently confounded with transformational leadership, with the two terms sometimes being used interchangeably. For example, Sagor (1992) used both words in the same sentence, writing about three “transformative leaders”—principals who made a difference by using “the three ‘building blocks of transformational ...

Transformative Leadership

What brings us together is a commitment to integrating the threads of Leadership, Equity, SEL, and Mindfulness in a personal development model for educational leaders. This model has the possibility of catalyzing a system level transformation that represents the best opportunity for a vision of education that truly helps children each and every child succeed and flourish.

Transformative Educational Leadership

Transformative leadership theory (TLT) is distinct from other leadership theories because of its inherently normative and critical approach grounded in the values of equity, inclusion, excellence, and social justice. It critiques inequitable practices, oppression, and marginalization wherever they are found and offers the promise not only of greater individual achievement but of a better life ...

Transformative Leadership in Education (2nd ed.)

Transformative leadership is especially attractive in current times, when the wealth gap and disparities in health, education, and other well-being outcomes between the haves and the have-nots are on the rise. Transformative leadership, by definition, has the potential to move our nation and communities toward racial equity and social justice.

Transformative Leadership for a More Equitable and Just ...

We envision a world where educational systems are supported by leaders with mindful awareness practices, critical reflection, ethical and courageous action. By supporting the inner lives of educational leaders and equipping them with the skills they need, TEL is playing a critical role in transformation towards more compassionate, democratic and equitable school communities.

Why TEL — Transformative Educational Leadership

Transformative leadership for girls’ education requires visible and consistent commitment from political leaders on these issues. These leaders must recognise that progress for girls’ education requires a whole-system approach that tackles gender-based discrimination and harmful social norms within and beyond the education system.
